

The set of pin holders for attaching goals to grassy surfaces

Description

A set of pin holders for attaching the football goals to grassy surfaces. The pins ensure safe use of the goals and can also be used in any location on a grass pitch.

Made of steel rod with a catch to the bottom frame of the goal, hot dip galvanized. Due to their intended use, they are used only on sports fields with natural sports surfaces. Compatible with 7,32x2,44m; 5x2m and 3x2m portable goals.

The set contains 2 pins for 1pc goal.
