

The basketball backboard 105x180cm, professional tempered glass 12mm

Description

The basketball backboard 105x180cm, professional tempered glass 12mm

A backboard designed for basketball, used on indoor facilities (gyms and sports halls) and outdoor facilities. It is made of 12mm thick safety glass (in accordance with FIBA requirements), additionally protected against vibrations, making it durable against mechanical damage and external factors.

The backboard top is mounted on a steel frame, which is galvanized or painted (depending on the purpose), in a non-hole system.

Whiteboard covered in black and white, dimensions: 105x180x18cm
